

Quick Checklist: Setting Up Nest Doorbell With Alexa

	Download the Alexa app on your phone or tablet.
	Search for the Google Nest Skill and enable it.
	Sign in using your Google account.
	Link your Nest Doorbell to Alexa.
	Turn on Visitor Announcements in Alexa settings.
	Place your Echo Show, Echo Dot, or Fire TV near your Wi-Fi router.
	Practice simple commands like “Alexa, show me the front door.”
	(Optional) Get a Nest Aware subscription for extra features.
	(Optional) Set up Alexa routines for visual alerts.
